GFPS Fine Arts Inventory Return and Pickups

We have missed seeing our students with the school closure! However, as the end of the year approaches, we need to get some items back from them so we can prepare for next year. Please read on for specific info for your situations. Call the Music and Art Department at 268-6079 if you have any questions!

Middle School Music students will have multiple options to return music items. Please see the detailed instructions below for your school:

North Middle School will collect music items and other school property (library books, textbooks, etc.) from May 26-29 from 9 am-3 pm. School instrument rentals, folders, sheet music, and music uniforms (shirts) will need to be returned to the school. Alternate pick up days: June 1st 9:00 - 3:00 and June 2nd 1:00 - 7:00

Pick up may be anytime during the assigned day. Parents will drive up the ramp by door 17 and stay in their vehicle. A staff member (counselor, aide, office staff) will greet them and take any items the parents have to turn in; books, computer, instrument, music shirt, etc. Parents will tell the staff member the child's name and then we will distribute the items left at NMS to the parent.

All items are sorted by Connection teacher in alpha on tables / floor inside door 17 or outside on sidewalk, weather permitting.

If you cannot make those dates work for your schedule, you can turn music materials into your local elementary school on Friday May 22 from 8 am-3 pm. Middle School Library books can be dropped off at the Elementary as well if need be.

East Middle School will collect music items and other school property (library books, textbooks, etc.) on Wednesday May 27 from 8 am-3 pm. School instrument rentals, folders, sheet music, and music uniforms (shirts) will need to be returned to the school.

If you cannot make Wednesday the 27th work for your schedule, you can turn materials into your local elementary school on Friday May 22 from 8 am-3 pm. Middle School Library books and other items can be dropped off at the Elementary as well if need be.

If art students, or their designee, can't make it during that time they need to contact their art teacher to arrange an alternate time or it will be assumed that they do not wish to claim anything left in their art storage and it will be disposed of. Please note, students who checked out art materials prior campus closure will be fined if they do not return the materials. Both Mrs. Harant and Mr. Olson will be onsite during the drop off and pick up.

While the preference is that HS items are returned to the appropriate school on these dates and times, if you cannot make that work for your schedule, you can turn items into your local Elementary on Friday May 22 as well.
